

21 - 22 MARCH 2018  
THE OAKLEY COURT, WINDSOR, UK

# SUPPLY CHAIN TO VALUE CHAIN

## TOGETHER ADDING VALUE

CO-ORGANISED BY **GIRP** AND **HDA UK**

**GIRP**  
the vital link in healthcare

**HDA**UK

# CONFERENCE PROGRAMME

## CONFERENCE OBJECTIVES

- Present the latest state-of-the-art technologies in temperature-controlled transportation
- Demonstrate how collaboration can move the supply chain towards a true pharmaceutical value chain
- Further the dialogue between supply chain actors and GMDP inspectors
- Engage participants in further reflections on how to harness the additional benefits from the serialisation project in Europe
- Explore new options for value creation within the healthcare ecosystem
- Explore the impact of Brexit on the British and European pharmaceutical value chains

## TOPICS TO BE ADRESSED

- Handling temperature sensitive products
- Temperature controlled storage, monitoring and transportation
- Experiences from GMDP inspections
- Medicines batch tracking requirements
- Electronic delivery notes
- Responsibilities of responsible person
- Implementation of the Falsified Medicines Directive

## 5 KEY TAKE-AWAYS

- Deep and concrete insight on how to secure an end-to-end temperature-controlled supply chain
- Clear understanding of GMDP inspectors' expectations
- How to further advance with GDP implementation at national level
- How to improve business processes with serialisation
- How to collaborate with your value chain partners

## CONFERENCE DAY 1 – WEDNESDAY 21 MARCH 2018

**12:30** Welcome Lunch

- **Mr René Jenny**, President, European Healthcare Distribution Association (GIRP)
- **Mr Martin Sawer**, Executive Director, Healthcare Distribution Association, United Kingdom (HDA UK)

**14:15** Session 1: Seamless handling of temperature sensitive products from production to patient

### Keynote address

- **Dr. Rafik Bishara**, Technical Advisor – *A review of best practices*

### Panel discussion

**Moderator: Dr. Rafik Bishara**, Technical Advisor

- **Mr Fabian de Paoli**, Vaccine Distribution & Cold Chain, GSK Biologicals
- **Mr Claude Jolicoeur**, Director Regulatory Affairs, Corporate GMP officer, McKesson Canada
- **Mr Thomas de Bie**, CEO, CAPPI
- **Mr Markus Haase**, Pharma International Senior Market Manager, Testo

Panel discussion with speakers

**15:30** Coffee Break

**16:00** Session 2: Collaborative approaches to temperature-controlled storage, monitoring and transportation

**Moderator: Mr Olivier Simonnot**, Strategic Marketing Manager Life Sciences EMEA, Sensitech

- **Mr Bertrand Nicolau**, Distribution and Quality Assurance Director, Supply Chain, Servier **and** **Mr Petr Dvorak**, Group Sales Director, PHOENIX
- **Dr. Erik van Asselt**, Cold Chain Improvement Manager, Vaccines, MSD Netherlands
- **Mr Roland Duquesne**, Director, Strategic Accounts, OEM and Vertical Markets, ThermoKing

Panel discussion with speakers

**17:30** Keynote address

- **Mr Mike Thompson**, CEO, Association of the British Pharmaceutical Industry (ABPI)

**18:00** Concluding remarks

- **Ms Monika Derecque Pois**, Director General, European Healthcare Distribution Association (GIRP)

**18:15** End of Conference Day 1

**19:30** Networking Reception & Dinner

## CONFERENCE DAY 2 – THURSDAY 22 MARCH 2018

### 9:00 Opening remarks

- **Ms Monika Derecque Pois**, Director General, European Healthcare Distribution Association (GIRP)

### 9:15 Session 3: Conversation with G(M)DP Inspectors: Ask the questions you never dared

#### Introduction

- **Mr Andrei Spinei**, Scientific Administrator, European Medicines Agency

#### Inspectors' panel

Topics: transport temperature and temperature excursion handling, digital delivery documentation, overview of wholesale distribution licenses, responsibilities of the responsible person, batch tracking requirements, temperature mapping

**Moderator: Dr. Rafik Bishara**, Technical Advisor

- **Mr Andreas Krassnigg**, Head of GMDP Inspections Department, Austrian Agency for Health and Food Safety
- **Ms Emer O'Neill**, Health Products Distribution Inspections Co-ordinator, Irish Health Products Regulatory Authority
- **Ms Ethel Mertens**, Director General Inspection, Belgian Federal Agency for Medicines and Health Products
- **Ms Jacqueline Masayi**, GDP Inspector (Inspection, Enforcement & Standards Division), Medicines & Healthcare products Regulatory Agency (United Kingdom)
- **Dr. Ibolya Tarjáni**, Head of Department of Inspectorate (Directorate of Inspection and Technology), OGYÉI, Hungarian National Institute of Pharmacy and Nutrition
